

PHONE2ACTION 2020 ELECTION CENTER

Lead the way and grow your audience with accurate, trustworthy election tools.

The 2020 Election will be unlike any other. The winners will manage a massive American health crisis—and their decisions will impact every corner of our economy.

In these uncertain times, be a voice of certainty. With Phone2Action’s Civic Action Center, you can show the value of your program and grow its ranks by providing the most up-to-date election information in an environment that shifts daily.

Provide Critical Election Information

Register to vote and check registration status

Learn who’s running in each district

View voting instructions and election dates

Find Vote-by-Mail, absentee ballot and early voting information

Grow Your Audience and Deepen Trust

Direct users to your Civic Action Center with texts and email broadcasts

Capture engagement and opt-in data to see your advocacy base grow

Reach a wider audience with one-click Spanish translations

Send updates to your advocates about how, where and when to vote

Empowering individuals to vote is not just good for democracy, but also good for business. Grow your grassroots advocacy network and Get Out The Vote with your Civic Action Center.
